• **80% Coverage for Most In-Network Medical Services.** Once you meet your annual deductible, this Autograph plan shares the cost of medical care with you. You’ll pay just 20 percent of the cost of covered in-network medical care.*

• **Maximum Out-of-Pocket Limit.** Once you’ve paid a total of $2,000/individual or $4,000/family (not including individual or family deductible), this plan will pay 100 percent of most covered, in-network medical costs for the remainder of the calendar year.*

Shape your HumanaOne® Autograph™ plan even more with these additional benefit options:

• **Keep Your Smile Looking Healthy.** Dental insurance benefits are available, including teeth whitening services and orthodontia.

• **Increase Your Lifetime Maximum.** Increase your coverage to $5 million to get the added protection you need.

• **$2 million in Lifetime Coverage.** This Autograph plan provides coverage that may protect you and your family from the expense of a major medical event.

• **The Care You Need.** This Autograph plan pays benefits for hospital inpatient and outpatient services, emergency room care and even preventive care.

• **Protection When You Travel.** Because of our large network, you’ll more than likely be able to access in-network services across the continental United States.

• **Get Extra Security For Your Loved Ones.** You can apply for term life insurance for coverage amounts from $25,000 to beyond $1 million†. (If you apply and are approved for health insurance from HumanaOne you will automatically be approved for up to $150,000 in life insurance.)
A Network You Can Rely On.
HumanaOne has a large network of healthcare providers nationwide — and the same doctors, hospitals and pharmacies you now use are likely among them. You’ll receive the most savings from HumanaOne when visiting a provider in-network, but you’re still covered if you choose to visit an out-of-network provider.

Health Savings Account Qualified.
Help yourself to potential tax advantages. This HumanaOne Autograph plan can be combined with a Health Savings Account that lets you pay for qualified medical expenses with tax-deductible contributions.

Your Benefits Are Portable.
If you move to another state, your plan benefits go with you — while your rate may change based on your new ZIP code, you won’t have to reapply for coverage and risk being denied.

Rate Guarantee.
Your rate is also guaranteed not to increase for the initial 12 months, as long as you stay within the same plan and reside in the same area.

* For out-of-network benefits and details, see pages 12 and 13.
† Can vary by state.
Your HumanaOne® Autograph™ plan can be combined with a Health Savings Account (HSA).

An HSA offers HumanaOne Autograph plan members both tax advantages and financial control.* The amount contributed to the HSA is subject to maximum annual contribution limits. For 2007 the maximum annual contribution is $2,850 per individual and $5,650 per family. These contributions are tax-deductible in most states, similar to an Individual Retirement Account (IRA). Any earnings on your HSA grow tax-deferred and you can deduct your earnings from your federal income tax.

You can use your HSA to pay for a wide range of qualified medical expenses, both those that apply toward your HumanaOne Autograph annual deductible and those that your plan does not cover such as eye exams, contact lenses, eye glasses, laser eye surgery, over-the-counter medicines or orthodontia.

Any money you don’t use will continue to accumulate tax-deferred without limit. And because you own your HSA, the money is yours to keep even if you change health insurance plans.

We can provide convenient access to banking partners where you can establish your HSA account. If you prefer, you can select your own bank.

* Consult a licensed professional for tax advice. For a complete list of qualified medical services, consult IRS publication 502, “Medical and Dental Expenses” on the Internal Revenue Service website at www.irs.gov. Individuals are responsible for compliance of HSA spending regulations.

Q. Can I see the same physicians who already treat me?
A. You have the freedom to see the provider of your choice. You will receive the most savings from your plan when visiting a provider in-network, but you’re still covered if you choose to visit an out-of-network provider.

Q. Can I change to a different HumanaOne personal health plan at a later date?

Q. What happens after I’m approved for HumanaOne Autograph personal health plan coverage?
A. You’ll receive a Health Plan Guide containing the information you need to start using your HumanaOne Autograph plan with confidence. In addition, you can call our customer care consultants or go online at any time.

Q. How do HumanaOne Autograph plans pair with a Health Savings Account (HSA) to save me money?
A. A HumanaOne Autograph plan with a higher deductible may cost you less — and you can put the money you save on premiums into your tax-advantaged HSA to help pay your deductible or other qualified expenses.

Q. Am I eligible to set up an HSA?
A. You may be if you are covered by a qualified high-deductible plan, and not covered by any other health insurance plan nor claimed as a dependent on someone else’s tax return.

Q. What bank can open an HSA for me?
A. We can provide convenient access to banking partners who can help you establish your HSA. Of course, if your own financial institution offers an HSA, you may prefer to use theirs.

Q. How do I make contributions to my HSA?
A. Once your HSA is set up by a financial institution, you can make contributions as often as you wish throughout the year. You may also be able to arrange regular payroll deductions by your employer, and/or periodic transfers directly from a bank account.
