Features that Add Value
- The CIGNA HealthCare 24-Hour Health Information Line℠ connects you to registered nurses and a library of hundreds of recorded programs on important health topics 24 hours a day, seven days a week, from anywhere in the U.S.
- CIGNA Healthy Rewards® includes special offers on many health and wellness programs and services often not covered by traditional benefits plans. Just call 1.800.870.3470 or visit our web site at www.cigna.com.
- Prescription drug coverage is a part of your plan. More than 50,000 pharmacies participate nationwide, so you can have your prescription filled wherever you go. Mail-order service means quick, convenient delivery of your medications right to your home.

Quality Service Is Part of Quality Care
- Service is at the heart of everything we do. Our goal is to give you: fast, accurate answers; responsive, courteous and professional assistance; and ease and convenience in finding the information you need to manage your health.
- www.cigna.com – Visit our interactive Web site to learn more about your plan and get health information, 24 hours a day.
- We Speak Many Languages℠. We offer Language Line Services so that you can talk with us in 150 different languages. Just call Customer Service and ask for an interpreter to assist you.
- Our interactive voice response system helps you find what you need faster over the phone. Use the speech recognition feature for information on your benefits, level of coverage, claims status, and more.

It’s Your Health
When you choose CIGNA HealthCare, you can take advantage of our health and wellness programs:
- Preventive care services for your children through age 2 and any additional preventive care benefits described in the Benefits Highlights.
- CIGNA Well Aware for Better Health℠ can help you manage certain chronic conditions.
- The CIGNA HealthCare Healthy Babies® program provides you with information to help you have a healthy pregnancy and a healthy baby.

You Can Depend on CIGNA HealthCare
- Quality comes first. We select “preferred providers” carefully. And we make sure you have a wide range of doctors to choose from.
- Emergency and urgent care are covered wherever you go, worldwide, 24 hours a day. Urgent care centers can take care of your urgent care needs, and your cost is lower.

It’s Your Choice
- When you visit network providers, you get access to quality care at the lowest out-of-pocket costs available under your plan. Your plan also offers the freedom to choose the providers you prefer — even if they aren’t part of the network. Your benefits are the highest when you see “preferred providers,” but you’re still covered for visits to other providers.
